The screenshot displays a web browser window with the address bar showing the URL: `creatorapp.zoho.in/manishganapathi591.sse_saveetha/library-booking-reservation-system#Form:Membership_Form`. The browser's address bar also shows the text "Library Booking Reservation System".

The application interface features a dark sidebar on the left with the following menu items:

- Library Membership
- Membership Form (highlighted)
- Registered Members

The main content area is titled "Membership Form" and contains the following fields and options:

- Occupation:** A dropdown menu with "Student" selected.
- Phone Number:** A text input field with the value "+91 7032331111".
- Email:** A text input field with the value "manishganapathi446@gmail.com".
- What would you use the library for?:** A group of checkboxes with "Reference" selected.
- Which sections of the library would you like access to?:** A group of checkboxes with "All" selected.
- Declaration:** A section containing three checkboxes, all of which are selected:
 - Accept responsibility for the return of any borrowed item by the due date.
 - I am aware any items lost, defaced, damaged or not returned by me will incur a replacement cost.
 - I understand my borrowing rights will be suspended while any items remain overdue.

At the bottom of the form, there are two buttons: "Submit" and "Reset".
